

Anti-Human IgG (Fc) mAb

E409B01-100

Catalog Number:E409B01-100

Format:Liquid, 100ul

Type:SdAb (VHH)

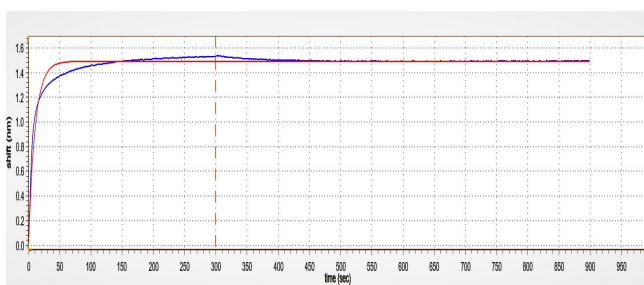

Immunogen:Human IgG Fc

Storage Conditions:Store at 4°C short term. For long term storage, store at -20°C. avoiding freeze/thaw cycles.

Applications : ELISA (ELISA): 1:5000-1:10000,Western Blot (WB): 1:500-1:2000

Examples:Interaction against hIgG1 determined by Gator (BLI) *

$KD=2.1 \times 10^{-12}$

* No cross-reactivity has been detected against Mouse/Rabbit IgG

For Research Use Only
