

human ACE-2 (AA 1-740) , Fc tag

Cat#	Form	Size
E42020T13	Lliquid	100ug
Species	Homo	
Host	HEK 293	
Tags	C-Human Fc	
MW	109.9 kDa	
Concentration	1.0 mg/mL	
Purification	Protein A column	
Buffer	PBS	
Storage	Short term storage at 4°C, long-term storage for more than 2 weeks should be placed at - 20°C. Avoid repeated freezing and thawing.	

CBB staining

1) The figure on the right shows the experimental results of 5 µg protein CBB staining

Western Blot

2) The right image shows the Western blot results of 0.3 µg protein
