# PNMT Rabbit Polyclonal Antibody

E53P10267

**Catalog Number:**E53P10267

**Host Species:**Rabbit

**Isotype:**IgG

**Purification:**Antigen specific affinity purification

**Applications:**WB,ELISA

**Immunogen Description:**Recombinant protein of human PNMT

**Storage:**Shipped at 4°C. Upon delivery aliquot and store at -20°C for one year. Avoid freeze/thaw cycles.

**Cite ID#:**EN5682335

**UniProt Number:**P11086

**Dilution:**WB 1:500-1:2000

**For Research Use Only**
