

ADK Rabbit Polyclonal Antibody

E53P13007

Catalog Number:E53P13007

Host Species:Rabbit

Isotype:IgG

Purification:Antigen specific affinity purification

Applications:WB,ELISA

Immunogen Description:Recombinant protein of human ADK

Storage:Shipped at 4°C. Upon delivery aliquot and store at -20°C for one year. Avoid freeze/thaw cycles.

Cite ID#:EN5685075

Specificity:Widely expressed. Highest level in placenta, liver, muscle and kidney.

UniProt Number:P55263

Dilution:WB 1:500-1:2000

For Research Use Only
