GRPR Rabbit Polyclonal Antibody

E53P11249

Catalog Number:E53P11249

Host Species: Rabbit

Isotype: IgG

Purification: Antigen specific affinity purification

Applications:WB,ELISA

Immunogen Description: Synthetic peptide of human GRPR

Storage: Shipped at 4°C. Upon delivery aliquot and store at -20°C for one year. Avoid freeze/thaw cycles.

Cite ID#:EN5683317

Specificity: Highly expressed in pancreas. Also expressed in stomach, adrenal cortex and brain.

UniProt Number:P30550

Dilution:WB 1:500-1:2000

For Research Use Only
