# INHBA Rabbit Polyclonal Antibody

E53P11490

**Catalog Number:**E53P11490

**Host Species:**Rabbit

**Isotype:**IgG

**Purification:**Antigen specific affinity purification

**Applications:**WB,ELISA

**Immunogen Description:**Synthetic peptide of human INHBA

**Storage:**Shipped at 4°C. Upon delivery aliquot and store at -20°C for one year. Avoid freeze/thaw cycles.

**Cite ID#:**EN5683558

**UniProt Number:**P08476

**Dilution:**WB 1:1000-1:2000

**For Research Use Only**
