HNRNPF Rabbit Polyclonal Antibody

E53P10077

Catalog Number:E53P10077

Host Species: Rabbit

Isotype: IgG

Purification: Antigen specific affinity purification

Applications:WB,ELISA

Immunogen Description: Synthetic peptide of human HNRNPF

Storage: Shipped at 4°C. Upon delivery aliquot and store at -20°C for one year. Avoid freeze/thaw cycles.

Cite ID#:EN5682145

Specificity: Expressed ubiquitously.

UniProt Number:P52597

Dilution:WB 1:500-1:2000

For Research Use Only
