ADIPOQ Rabbit Polyclonal Antibody

E53P11590

Catalog Number:E53P11590

Host Species: Rabbit

Isotype: IgG

Purification: Antigen specific affinity purification

Applications:WB,ELISA

Immunogen Description: Synthetic peptide of human ADIPOQ

Storage: Shipped at 4°C. Upon delivery aliquot and store at -20°C for one year. Avoid freeze/thaw cycles.

Cite ID#:EN5683658

Specificity: Synthesized exclusively by adipocytes and secreted into plasma.

UniProt Number:Q15848

Dilution:WB 1:500-1:2000

For Research Use Only
