GHSR Rabbit Polyclonal Antibody

E53P11205

Catalog Number:E53P11205

Host Species: Rabbit

Isotype: IgG

Purification: Antigen specific affinity purification

Applications:WB,ELISA

Immunogen Description: Synthetic peptide of human GHSR

Storage: Shipped at 4°C. Upon delivery aliquot and store at -20°C for one year. Avoid freeze/thaw cycles.

Cite ID#:EN5683273

Specificity: Pituitary and hypothalamus.

UniProt Number:Q92847

Dilution:WB 1:1000-1:3000

For Research Use Only
