TF Rabbit Polyclonal Antibody

E53P11509

Catalog Number:E53P11509

Host Species: Rabbit

Isotype: IgG

Purification: Antigen specific affinity purification

Applications:WB,IHC,ELISA

Immunogen Description: Synthetic peptide of human TF

Storage: Shipped at 4°C. Upon delivery aliquot and store at -20°C for one year. Avoid freeze/thaw cycles.

Cite ID#:EN5683577

Specificity: Expressed by the liver and secreted in plasma.

UniProt Number:P02787

Dilution:WB 1:500-1:2000, IHC 1:50-1:200

For Research Use Only
