# ARTN Rabbit Polyclonal Antibody

E53P11488

**Catalog Number:**E53P11488

**Host Species:**Rabbit

**Isotype:**IgG

**Purification:**Antigen specific affinity purification

**Applications:**WB,ELISA

**Immunogen Description:**Synthetic peptide of human ARTN

**Storage:**Shipped at 4°C. Upon delivery aliquot and store at -20°C for one year. Avoid freeze/thaw cycles.

**Cite ID#:**EN5683556

**Specificity:**Ubiquitous. Expressed at high levels in peripheral tissues including prostate, placenta, pancreas, heart, kidney, pituitary gland, lung and testis. Expressed at low levels in the brain.

**UniProt Number:**Q5T4W7

**Dilution:**WB 1:500-1:2000

**For Research Use Only**
